President's Message

Boy, did March blow through quickly or what? It must have been all of the fun projects we accomplished. The club successfully cleaned up the garden for BUGS and sponsored another successful Senior Luncheon. Thanks to Jeremy and Wes and all of the members time and efforts at these very worthwhile events. I wanted to take a minute to thank all of you who faithfully attend Interclubs, taking time from your busy lives and hectic schedules. It takes commitment to make it all come together. Thank you for representing our wonderful club! Laura Bowers is planning Danmuckee Night, which will be this month. Don't have a clue what this night is all about? Just go! Trust me, you won't regret it. It is the one "freebie" where you get to brag about your business. Bring promotional items to give away (ie. Key chains, magnets, etc, that display your business name). If you need more info, either contact Laura or any member who has been here for a while, and they can tell you all about it. Oh, and you get fed too. How can you beat that? As always, my thanks go out to each and every one of you for making this club such a wonderful group of people who are making a difference in our community. P.S. A big welcome back to Dave Tish. Thanks for making us proud and by protecting our country.
—President Angie
