# President's Message

*Talk about Sizzling Summer! I hope you have found ways to keep your cool.*

*Speaking of cool, we have had a good month already. One of our projects that could become a "CCKC Signature Project" was teaming up with Project Patch for the Match for Patch golf tournament on July 14<sup>th</sup>. Our own Jennifer Matoske was the key organizer for this 2<sup>nd</sup> annual event. CCKC sponsored a hole and also had at least five players in the field of 100. We were able to secure the first hole for our booth, had our banner out for everyone to see as they came by that hole, and offered bottled water (thanks to Kim Knolton) with the help of Kim, Beth Elliott, and Rae Tway. They also handed out our new CCKC brochure, which is quite the nice piece – thanks to Pat Wiese for setting it up and Beth Elliott for getting it printed.*

*We will be hearing from Kelly O'Neil about an exciting new MAJOR project that he has been working on for about a year. It may give us an opportunity to have a signature piece for all to see and admire at our Boise Airport. Stay tuned for more details as this develops. You will all have a chance to participate.*

*On a sad note, we learned that Ted Sigmont's wife, Ruth, lost her battle with cancer this month. Our prayers and condolences go out to you, Ted.*

—President Wes
