President's Message

Wow, it is already the holiday season—how time flies when you are having fun. Thanks to a few of our graffiti artist members, we updated our recycling bins to let the public know that magazines are now accepted in the newspapers bins. We cleaned up the roadside to Bogus Basin, and participated in another successful Rake Up Boise. There were a lot of yards to rake and thankfully the members brought along their spouses and kids to help. Thanks to all of you who braved the chilly morning to make others lives a little easier (and less leafy). The next event is the annual Salvation Army "Bell Ringing". Please donate a few hours of your time for this needy cause. December is typically a slow month for Capital City Kiwanis, so that we have more time for our families during the holidays. However, the weekly meetings are filled with holiday messages from our speakers and the spirit is certainly felt with the festive decorations at the Powerhouse. Please don't miss out. You won't regret it. As always, thanks to each and every one of you in the club. You each have a special marker that makes this club work. Merry Christmas to you and yours!
 —President Angie
