President's Message

The holidays are here and I hope and pray that you are in the spirit of celebration; whether you call it Christmas or the Holidays. For us as Capital City Kiwanians we have much to celebrate and I thank each one of you for all that you do for Capital City Kiwanis and for the community of Boise.

As we look at the end of this calendar year and towards all that the next one has for us may we do so with much anticipation and willingness to give more, do more and be more in our families and community. For those of us who work, may we be ever diligent, for those who are retired may you continue to enjoy the fruits of your labor.

*Again, Merry Christmas and a Happy New year!
President, David Tish.*
