Quotes:

I stood beside a hill, Smooth with new-laid snow.

A single star looked out, From the cold evening glow. There was no other creature, That saw what I could see. I stood and watched the evening star, As long as it watched me.

President's Message

For those of you who were in attendance on January 20, you were witness to a significant event – the induction of two new members to CCKC. An official “Welcome” to Jennifer Matoske and Richard Sotito. We were set to recognize Richard Himberger, but due to scheduling conflicts, he was unable to be with us. We will catch up with him shortly.

And congratulations to Tim Winkle! In case you weren't there to here the “good news” Tim is the proud parent of a baby girl – their 4th! Blessings on you and your family, Tim.

Why is this so significant? It is a testimony to our club that we are recognized as something so special that others want to be a part of it. No, not the great leaders, not the good programs, and not just the great food we share on Fridays, but the total experience of being part of something special. We are involved in our community and proud of it. Please, let others know what Jennifer and Richard are about to be part of, changing our world, one community and one child at a time.

In the face of our stressful work environment, and the demands on us from all sides, I am particularly proud to be part of a group that has been willing to make being a Kiwanian a priority. Thanks to all of you for your dedication!

—President Wes
