President's Message

Our first event for the new year was a complete success. Our annual Senior Luncheon, held at the Chuck-A-Rama, was so well attended that we had overflowed into the general seating area. Not only was our senior attendance up, but the number of member volunteers was the most I have ever seen. It was so nice to see all of the Kiwanis shirts walking around. It is so important to identify ourselves by our Kiwanis apparel and let the community know who we are. I continue to be amazed at how all of you step up when things need to be done. You make my job so easy and so rewarding. A big thanks to Wes Seideman for arranging this event and making sure everything went smoothly, and also to Pierce Bilyeu for keeping a running head count for us. In that sea of people, it was a challenge. We fed 134 seniors. That is so incredible! For those of you who were not able to make it to this Senior Luncheon, we will be sponsoring another one in March. Details will follow as to the date and time.

We have a fun event coming up on February 9th. We will hold our regular Friday lunch meeting at the Idaho Historical Museum to view the art work of our own John Collias. We will eat lunch and tour the exhibit. This is one not to miss!

I wanted to ask all of you a favor. We have a lot of new members that have joined in the last few months. Please make it a point to visit with them and get to know them. If you are participating in on a project or event, ask them to join in with you. It is hard when you are new to the club to understand everything that we do. I know that many of you are already doing that and thank you.

Happy Valentine's Day! —President Angie
