President's Message

Another month has come and gone. I once heard that time fly's when you're having fun. Thanks to all of you I am having a great time and I hope that you are too. Thank you Wes and Kathy Seideman for putting together a wonderful senior Luncheon in January. There was a wonderful turnout from our members and the seniors. It is very moving to have the seniors tell you how much they appreciate this special event. I think the volunteers had has much fun as the seniors. We have more projects coming up so you can all get an opportunity to be part of this wonderful thing called volunteering.

May you all have happy days,

President Norman
