President's Message

Happy New Year! And may this year be a good one for all!

CCKC gave many hours of bell ringing for the Salvation Army's efforts to help relieve the discouragement and depression of families in need of help. Thanks to Julie Poedy and her organization of the troops, and thanks to the volunteers who braved the cold and the tedium of "ding-ding-ding-ding": John Collias,

Amos Garrison, Phil Choate, Jerry Korn, Kelly Bickle, Larry Hunter, Walt Wethered, Rae Tway, Julie Poedy, and Kathie and Wes Seideman. I did my traditional silent "Ding-Dong" with the paddles, which brought a lot of smiles and several extra contributions. We can take heart in that we did help to make a difference to some needy families. That's what we are all about. Making a difference, one child and one community at a time.

We were saddened by the loss of Bob Kirkpatrick, a member in our club for some 36 years,

many as our Secretary/Treasurer. In his later years we remembered him as our song and pledge leader. Kiwanis was truly his family for many of his years. We will miss him.

Please remember that your friends, neighbors, and co-workers may not be members just because they haven't been asked! Do your part to encourage people to come and share in the fun, food, and fellowship of Capital City Kiwanis!

—President Wes
