Holiday Parade 2001

President's Message

Well, here we are into a new year. We rang out the old year (pun intended) for the Salvation Army. Thanks to you who braved the cold and spent your weekend raising money for those in need. Also, a big hand for the money we contributed to the Assistance League Clothe-A-Child project. With our personal contributions, and club matching dollars, we contributed \$4800.00 to this worthy cause. We helped to clothe 48 children in our community. That is so awesome!

Hopefully the holidays were good to all of you and you are rested and ready for an exciting Capital City Kiwanis filled year. One of the things we have coming up this month is the Senior Luncheon. This is such a fun event for those of you who have never experienced it. We treat over 100 seniors to lunch at the Chuck-A-Rama and it only takes about 2 hours of your Saturday afternoon. We always need drivers to bring the seniors to the luncheon and then to take them back home. If you can't be a driver, simply showing up and visiting with the seniors would be great. It is a nice way to show our seniors how much we appreciate them. With no more BSU games to attend, hopefully your Saturdays are free and you can join in the fun.

Thanks again to everyone for making this such an incredible club. HAPPY NEW YEAR! —President Angie
