## President's Message

Thanks to all who helped the Red Cross serve food for the Julia Davis Park 100 Year Celebration. According to those who were there, a lot of mouths were fed that day. Speaking of the Red Cross, I am very pleased to announce that our very own Dick Rush will be Lt. Governor next year. That is quite an honor for us. No doubt, he will make us proud. Congratulations, Dick!

I wanted to "officially" thank Nancy Halliwell and the Membership Growth and Retention committee for their hard work and dedication to the new directory. We have talked about having photos of the members in the directory for years, and you guys made it happen. After seeing the photos, I realize that I have been calling some of you by the wrong names. I am just amazed at how many of you resemble eggplants. Happy Summer and stay cool!

—President Angie
