President's Message

Well, it is definitely sizzling summertime! I trust you are finding ways to stay cool. Capital City Kiwanis continues to amaze me with accomplishments. I know it is old news to some of you; especially those whose sore hands and back reminded you for several days afterwards, but we spent two weekends helping the Idaho Botanical Garden with their Lewis and Clark garden. Some two dozen members and family dug over 100 holes and planted a bush or tree in every one of them. We also helped the Growing Place get caught up on their maintenance, the WCA shelter home with their gardening, and the Senior Citizen's Club of Garden City enjoy lunch. So, if you see our club ratings off the charts compared to others in our U-I District, it is because we worked hard to get there. And it wasn't all work; we can play as well. Our annual golf tournament was yet another success, drawing over 50 players, with the trophy going to Dave Bushman's KCCC team. So, pat yourselves on the back, and get ready for more opportunities to do great things for our community. This is why we are Kiwanians, to help change our community for the better. Many thanks again to all of you for your support!

—President Wes
