## President's Message

*You can always tell when Spring is here and Summer is just around the corner. It means a lot of empty seats at the Powerhouse. Friday seems way too nice to be sitting inside, especially when you can be out golfing. We take that into consideration, and that is why there are not a whole lot of projects underway in the next few months. Since Kiwanis is about family, we understand that you have them, and need to spend time with them. Remember, you can always bring them with you to the meeting.....and then go golf.*

*Although this is not a project, it is still exciting news. We purchased a bench in the newly developed Capitol Park across from the Capitol building. The new park will be named "Let Freedom Ring Plaza" and honors military and those in public service. Our bench will have a plaque that recognizes our Capital City Kiwanis military members and their families. Make sure to take your family to visit the new park. It is beautiful! And speaking of military, thanks to all of you who helped out with the Eagle Military Appreciation Day.*

*Good news.....Our membership is up from last year. Bad news.....unfortunately we are losing a few members to transfers and hardships. Let's make up that difference by recruiting new members. Think of your good friends, fun co-workers, or interesting people that you meet. Bring them to a meeting and show them a good time.*

*As always, thanks to each and every one of you for what you bring to this wonderful club!*

—President Angie
