President's Message

First, a thanks to all our Vets and the Families of Vets. I hope everyone had a wonderful Memorial day weekend. Well May has been an interesting month. The weather has gone from spring - summer - winter - summer - spring??? Thanks Elizabeth and all the folks that are making the Interclub meetings a success. The BUGS project went well; thanks Jeremy and all the volunteers. School will be getting out soon and I would like to encourage all of you to bring your children and grand children to one or more of the meetings and service projects. As you know I think Kiwanis is a good place for our children to be introduced to the kind of people that make a difference in the community and the world. This is where the youngsters get to meet the oldsters and have fun.

—President Norm
