President's Message

Hello Everyone,
February was a good month for us. It was my pleasure to introduce two new members—Robert Amoureux and Andy Schepp—to our group. Thanks to Jerry Korn who represented us at the mid winter meeting. I am looking forward to the second senior luncheon and DANMCKCC night, two really fun times.

I need your help. Some of you know that we have had to move some of our recycle bins from long standing locations. We are looking for locations! Recycling is our largest fundraising project and it takes little manpower. We need to maximize our locations, or we will need to find other more labor intensive fundraising activities. If you know of a company that would like to have bins placed or if you see bins that need attention please let us know.

I hope everyone has been enjoying the speakers. It was exciting to hear about the Treasure Valley YMCA camp that is being built. This sounds like a great thing for the kids.

I look forward to seeing you all at the Friday meetings and our upcoming projects.

—President Norman
