President's Message

April was a busy month for Capital City. We started off by beautifying Bogus Basin Road on the 7th. I think we had a record number of people show up to help, so it didn't take us long. Dave Tish and crew decided to take on the entire hillside as well, so they were a little late coming back to base camp. Jeff Souza put on quite a breakfast spread, so no one left hungry. The only casualty was Jeff's daughter falling and skinning her knee. I guess the orange vests are good for something.

On the 14th, Pat Wiese was the MC at the Big Brothers Big Sisters Bowl-a-thon at Meridian Lanes. Dave Tish, Dave Clow, Heidi Bogert-Dornier and Steve Abels all chipped in time to help out. Pat alone raised over \$5,000 for BBBS, and also put in a lot of plugs for the club. Way to make us proud for such a worthwhile cause!

Later that same week, we had our annual DANMCKCC night. I missed it because I was out of town in training, however I heard it was a lot of fun. Thanks so much to Laura and Ted Bowers for organizing the event, to Merrily Munther and her wonderful cook husband, Tom, for the food, and to Beth Gaertner for opening up her work place for the event. These events take a team effort, and it's nice to see so many members stepping up to the plate. You never cease to make my job easy and rewarding.

—President Angie

P.S. Don't forget all of your special mothers on May 13th!
