President's Message

My first month as president has been a huge eye opener. I am amazed at the wonderful people in this club. We started the year with our annual Board Retreat in Steve Fredriksen's beautiful cabin. People always question why we drive all the way to Donnelly for a day retreat. After spending the day there, they know why. Thanks to the Fredriksens for their generosity! I was impressed with the fresh new ideas generated from the retreat. It was like a bunch of spinning tops; all the committee chairs were spinning away with great new ideas for the year. One of those ideas was to create a photo board to let new members and prospective guests see all of the things our great club is involved in. So please remember to take your cameras to our events and snap pictures for the board. If you could also send those pictures to Pat Wiese, he can get them on our web site. Remember, people join clubs for a reason—seeing our photos, and the events we are involved in, could be that reason. As you go along in your busy day, think of your bankers, your CPA's, your coffee shop pals, your friends...would any of them be fun new members? If so, bring them to a meeting and/or give them one of our brochures that lists all of the fun and meaningful projects we are involved in. As we go into the holiday months, let us all remember how truly blessed we all are. I know that I am as your president.

—President Angie

Quotes:

Ah! on Thanksgiving day, when from East and West,
 From North and South, come the pilgrim and guest,
 When the gray-haired New Englander sees round his board
 The old broken links of affection restored,
 When the care-wearied man seeks his mother once more,
 And the worn matron smiles where the girl smiled before.
 What moistens the lips and what brightens the eye?
 What calls back the past, like the rich pumping pie?

—John Greenleaf Whittier
