President's Message

Well, time sure fly's when you're having fun. Seems like just the other day I was writing my first message for the bulletin. The year has started off well and if this is any indication of how things will go the rest of the year it will be a great year for all. We just had the Chili cook-off / Yost picnic hosting our Governor. It was a typical October Idaho day—rain, hail, wind and sun all within a few hours. Our Utah/Idaho Governor Bill Mullins and his wife were there, as was Div. 6 Lt. Gov., our own Dick Rush. They had a good time and thought the changing weather was interesting. There was a wonderful turn out and some very fine Chili and French Fries were eaten. Thanks to Beth Elliot and Marilyn Whitney for putting this together. Remember, our social events are just as important to our club as our projects, and they are a great opportunity to meet other members. I want to thank all the members and their families for making this such a special day.

—President Norm
