## President's Message

Greetings Capital City Kiwanis!

Thank you for your vote of confidence in me to be president of this great club. I will strive to do my best in this role. Thanks also to Norm and the leadership of this past year. Thanks also for all of you who have consented to being leaders in the club by being on the board or as committee chairs. To all of us, I have a question: “how can we increase our involvement in CCK and our community?” We are a great club, how can we become better? It is up to us; you and me. One of my goals this year will be that we double our efforts; for example, every member participates in at least one more project than he/she did last year. Let's see what we can do in the name of Kiwanis this year.

—President David Tish
