President's Message

Well, it has finally come; my last month as the President of Capital City Kiwanis. Funny, when I look back, it seems like it was only a few weeks. Last September it looked like a year! But it has been a great ride, and all of you have had a part in making it a great year for CCKC. Thanks to all of you for your support and encouragement! I trust that you will give the same whole-hearted support to Angie during her year as well. —President Wes
