President's Message

As the year comes to an end I am saddened. It seems as though things have just got started and it is ending. I want to thank all of you (the wonderful members of the club) for your support, encouragement and dedication this year. I want to thank all the committee chairs and their groups for the great work and energy they used to make things happen. A big Thank You goes out to all the board members for the wonderful advice and support. Thank you Elsa for keeping me on track; your help and advice was invaluable. Thank you Frank for keeping the books straight, it's a good thing that I did not overspend.

It will be nice to sit out there with all of you looking up to the podium instead of standing there looking out.

It has been a wonderful opportunity and privilege to serve as President for Capital City Kiwanis.

THANK YOU ALL!

Norman Failing, President
